

Units:	pH, °C, °F
Measurement range:	0.0 – 14.0 pH 0 - 50 °C / 32 - 122 °F
Resolution:	0.1 pH 1 °C / 1 °F
Accuracy at 25 °C / 77 °F:	± 0.1 pH, ± 1 °C / ± 2 °F
Automatic Temperature Compensation (ATC):	Yes
Operating environment:	0 - 50 °C / 32 - 122 °F
Calibration:	Two point - pH 7.0 and pH 4.0 or pH 10.0
Power source:	1 x AAA alkaline battery
Other functions:	Direct pH and temperature measurements into soils/media, backlit LCD display, hold reading function, integrated storage cap/dibber, successful pH calibration indicator, low batter indicator, fully waterproof
Guarantee period:	1 year free repair or replacement guarantee, from date of original purchase
